

EcoDomo^{LLC}

Recycled Leather & Doors

EcoDomo recycled leathers combine natural elegance, value and performance.
Everyone will knock on your leather doors.

Add a touch of sustainable and daring luxury to doors with recycled leather. EcoDomo recycled leathers withstand daily use in commercial environments in thousands of vertical applications worldwide. Leather doors are guaranteed to impress!

Our leathers can be customized for colors and sized to maximize your budget. Available standard in veneer 4'x8' sheets, 2 mm rolls, and 3 mm sheets and tiles. Install, press, and maintain like wood veneers. Made in the USA.
