

EcoDomo^{LLC}

Recycled Leather & Retail

Enhance the retail experience with leather floors, shelves, walls and veneers.

EcoDomo leathers are guaranteed to make an impression on customers in a retail environment enhancing their experience. You can use our leathers in the following areas:

- Floors
- Walls
- Shelving
- Casework
- Furniture and Displays
- Area rugs

Our leathers offer great value, exceptional durability, a wide range of sizes, textures, and thicknesses including 4'x8' veneer sheets. Customize at will or use our stock. Available laminated on HDF in panels or uniclic® planks. Made in the USA.
